

REMARKS

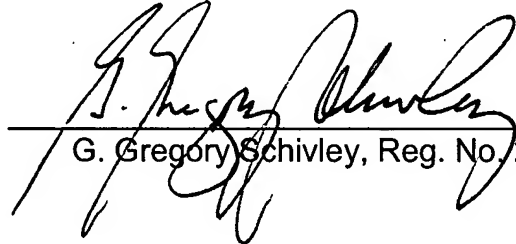

Upon review of the allowed claims, it was discovered that there was a minor error in Claims 2 and 4 that depend from method claim 36. By way of this Amendment, claims 2 and 4 have been amended to properly recite that they are dependent from a method claim and not an apparatus claim. Since the Amendment does not affect the merits of this case but is merely to correct an informality, entry of this Amendment is appropriate.

Favorable consideration of this Amendment is respectfully requested.

Respectfully submitted,
